

**4th International EIF
Job Market in Finance and Accounting**

December 17, 2009

The Europlace Institute of Finance (EIF) organizes, on December 17, 2009, in partnership with AFFI (French Finance Association), HEC and EUROFIDAI (European Financial Data Institute), the 4th International EIF Job Market in Finance and Accounting to enhance the exchanges between young researchers, PhD students, academic institutions and finance and accounting professionals in order to facilitate recruiting, to create bridges and to develop common scientific projects.

This Job Market will give the opportunity to young researchers and recruiters to meet each other through individual interviews.

All submitted papers and Vitae will be published on line for potential recruiters to consult them.

On December 16 will take place in Paris the 7th International Financial Research Forum of the Europlace Institute of Finance (EIF) and on December 17-18, in the same place as the Job Market, the 7th Paris Finance International Meeting, organized by AFFI (French Finance Association) and EUROFIDAI (European Financial Data Institute).

Job Market participants will also have the opportunity to network during these different meetings.

Selected papers will be presented during Poster sessions. Participants are also encouraged to submit their papers directly to the AFFI conference if they want to present their papers in regular sessions.

The Europlace Institute of Finance (EIF) may provide travel and accommodation grants upon application.

Grant applications should be sent to:

Ms Rachel Curbinon, rcurbinon@europlace-finance.com
